

Southampton Township Recreation Association  
Registration Policy  
Adopted April 12, 2022

For each sport/season, registration will open approximately 3 months before the anticipated season start date. The registration will be open in three phases:

1. Early Bird Registration: The first two weeks of the registration period will be deemed "Early Bird" and offered at a discounted price, typically \$5 off the regular registration fee.
2. Regular Registration: The regular registration period will remain open until 3 weeks before the anticipated start date at the regular fees. Uniforms will be ordered at the close of this registration period.
3. Late Registration: At 3 weeks prior to the anticipated season start date, registration will convert to "Late Registration" and a waitlist will be created. A \$50 late fee will be assessed and participants will be added to the waitlist until the season start date. Participants will be placed on teams pending availability. At that time, a second late uniform order will be placed. These participants will receive their uniforms late.
